FROM MAJOR BROWN.

I would like to submit to the people of Barton county my claim for the nomination of U. S. Senator on the Democratic ticket. I have been a resident of Kansas since '76, actively engaged in farming all of this time, and have every dollar I have in the world outside of a little home invested in farm land and live stock. With six lawyers and four newspaper men now representing this great agricultural state where 98 per cent of her people live directly or indirectly on the results of the farm, with only two U. S. Senators who are engaged in agriculture, with 75 per cent of the members of both houses of Congress lawyers, and every man I have to defeat, even though I get past the primaries, professional men, I am submitting to the Democrats of the state the proposition of whether the agricultural interests are entitled to one out of the ten members, and by your verdict expressed on August 4th, I am willing to abide.

I have been on the firing line for the party for more than a quarter of a century, and have made five state campaigns at my own expense; as ready to make another, even though I am not a nominee in the election now on. I have never held an office that more than paid the expenses. I am a Bryan-Wilson Democrat, progressive in every sense of the word. I believe I am qualified for the position, after a membership of three terms in the House, and the last session as speaker. The next six years will see much legislation introduced by people of the East, who believe by curtailing the profits on the farm the price of living can be reduced. Belonging as I do to the producing class, I pledge you in all the fights that might come, should I be your senator, I will stay with every interest and do my best for the class of people where I was born, have lived and shall die.

Very respectfully,
W. L. BROWN.
Commonly known as "Ironjaw."

Frank J. Kern, mayor, council and chief of police of Dundee, was in the city Tuesday on a business trip and visit. Frank has the business interests of Dundee about cornered, having the general store, the blacksmith shop, and the pool hall, and in addition to this handles implements of all kinds, and he is one of the business men in that section of the country. He has built up an excellent trade and is kept on the jump from morning to night for about seven days in the week and as a result doesn't get a chance to come to the county seat very often. They had a good rain out that way last Friday night and most of the farmers are busy getting their ground plowed while it is in good shape.

James Pizinger, I. W. Yenser, Roy Cornelius and J. S. Seagondollar were among the Hoisington people who were here Sunday and went out to attend the big German-American Alliance picnic.

ACT QUICKLY.

Delay Has Been Dangerous In Great Bend.

Do the right thing at the right time.

Act quickly in time of danger. In time of kidney danger Doan's Kidney Pills are most effective. Plenty of evidence of their worth.

C. F. Marshall, Ellinwood, Kansas, says, "For over twenty years I was employed in the coal mines and the work weakened my kidneys. At times my back was very lame and I found it hard to straighten after stooping. The kidney secretions were irregular in passage and scalded when being voided. I began using Doan's Kidney Pills and to my delight, they gave me prompt relief. I take pleasure in confirming my former endorsement of Doan's Kidney Pills. They are by far the best kidney medicine I ever used and I give them the entire credit for the good health I have enjoyed during the past few years."

Price 50c. at all dealers. Don't simply ask for a kidney remedy—get Doan's Kidney Pills—the same that Mr. Marshall had, Foster-Milburn Co., Props., Buffalo, N. Y.

TO THE DEMOCRATS OF BARTON COUNTY Vote For Ex-Chief Justice Frank Doster for U. S. Senator.

Extract from Letter on June 3, 1914, to Taylor Riddle by Hon. J. G. Johnson, Ex-National Committeeman and Manager of all the Bryan campaigns.

"Judge Doster is thoroughly fitted for this position by natural ability, temperament and education. No one has studied deeper into social and economic problems of the day than he. His present home at Topeka, would give a geographical balance to our Senatorial representation, and his association with Senator Thompson would restore the era of brilliancy, industry and vigor in Kansas' representation in the U. S. Senate which marked the days of Plumb and Ingalls.

"While it is fortunate that Kansas has so many brilliant and able Democrats who are seeking this nomination, it still behooves us to select the candidate who is not only the peer of any in all respects, but the one who will meet the least antagonism and who will command the most votes at the election, and we think that Judge Doster is that man."—Adv.

Be sure and phone in the results of the primary election on the offices where there is a contest, as soon as the vote is counted. This is especially desired on U. S. Senator, Congressman, County Attorney and County Clerk.

County Clerk Younkin is this week getting the ballots for the primary, next Tuesday, out to the different voting places. It ought to be no trouble for any Democrat voter to mark his or her ballot so that their choice of the nominees will be plainly expressed. The ballot has printed on it all the names of candidates for nomination with a square following each name, in which to mark a cross. It tells you whether you vote for one or more names for each office. On the State Ticket which occupies the first column, there are, in some cases, more than one name. One the county ticket there are but two offices with more than one candidate. For County Clerk, you make your choice between Chas. F. Younkin and I. W. Yenser, and for County Attorney between Jas. W. Clarke and Chas. Carroll. You simply ask for a Democratic ticket, then put a cross X mark in the square following each name you want nominated. No mixed ticket can be voted at this election.
